

MONTHLY PREMIUM SPLIT

You can choose your total monthly premium from K7 500. Your total monthly premium is automatically split between the two pockets. The table below illustrates some premium choices and the applicable split.

Total monthly premiums	Short term pockets (20%)	Long term pockets (80%)
K7 500	K1 500	K6 000
K10 000	K2 000	K8 000
K50 000	K10 000	K40 000

OLD MUTUAL SAVINGS PLAN-TERMS EXPLAINED

Part withdrawal

The policy has a part withdrawal option from the short and long term pockets which can be accessed at any time. The long term pocket attracts a nominal charge of K3,500 whilst the short term pocket has no charge for the first two withdrawals.
